To:
Subject: CoSu Line Notice of Public Scoping

You are invited to learn about a proposed transmission line project in Colusa and Sutter counties.

Western Area Power Administration (Western) and Sacramento Municipal Utility District (SMUD) are studying environmental impacts of a new 500-kilovolt electric transmission line project in portions of Colusa and Sutter counties to help meet Northern California's energy needs. The Colusa-Sutter Transmission Line, or CoSu Line, would provide SMUD with a new connection to the existing California-Oregon Transmission Project (COTP) line in Colusa County by linking it to a new substation near the existing O'Banion Substation in neighboring Sutter County, with potential modifications to SMUD's existing Elverta Substation in Sacramento County. Learn more at www.cosuline.com.

A 60-day public scoping period begins Friday, December 18, 2015 and ends Tuesday, February 16, 2016. During the scoping period, Western and SMUD are seeking comments on the scope of issues to be analyzed in a Draft Environmental Impact Statement/Environmental Impact Report (EIS/EIR). You can learn more about the CoSu Line and submit public comments by attending a public scoping meeting.

Public Scoping Meetings

Colusa County

Tuesday, January 12, 2016

4:00 - 7:00 p.m.

Colusa Casino-Resort
Community Room
3770 California 45
Colusa, CA 95932

Wednesday, January 13, 2016

8:00 - 11:00 a.m.

Colusa Casino-Resort
Community Room
3770 California 45
Colusa, CA 95932

Sutter County

Wednesday, January 13, 2016

4:00 - 7:00 p.m.

Sutter Youth Organization Center
Ellwood Munger Hall
7740 Butte House Road
Sutter, CA 95982

Thursday, January 14, 2016

8:00 - 11:00 a.m.

Sutter Youth Organization Center
Ellwood Munger Hall
7740 Butte House Road

Sutter, CA 95982

You do not need to attend a scoping meeting to submit comments on the scope of the Draft EIS/EIR. Please send comments by Tuesday, February 16, 2016 to:

Email: comments@cosuline.com

Mail: Mr. Andrew Montano, NEPA Document Manager
Western Area Power Administration, Headquarters
P.O. Box 281213, Lakewood, Colorado 80228-8213

Please contact us with questions at info@cosuline.com.

Subject: CoSu Line Reminders and Updates

Reminder: CoSu Line Public Scoping Meetings Start Next Week

Public scoping meetings for the proposed Colusa-Sutter Transmission Line (CoSu Line) begin next week. Please join the Western Area Power Administration (Western) and Sacramento Municipal Utility District (SMUD) to learn more about the CoSu Line and submit comments on the scope of issues to be considered in the environmental analysis. There are six meetings to fit your schedule. Four meetings take place between January 12 and 14, 2016. Two additional meetings will take place on February 2 and 4, 2016. Scroll down for dates, times and locations.

Continue to check the CoSu Line website <https://www.cosuline.com> for project updates. We have added a Project Documents page that now includes a proposed study areas aerial overview map.

January Public Scoping Meetings

Tuesday, January 12, 2016

4:00 - 7:00 p.m.

Colusa Casino-Resort, Community Room
3770 California 45, Colusa, CA 95932

Wednesday, January 13, 2016

8:00 - 11:00 a.m.

Colusa Casino-Resort, Community Room
3770 California 45, Colusa, CA 95932

Wednesday, January 13, 2016

4:00 - 7:00 p.m.

Sutter Youth Organization Center, Ellwood Munger Hall
7740 Butte House Road, Sutter, CA 95982

Thursday, January 14, 2016

8:00 - 11:00 a.m.

Sutter Youth Organization Center, Ellwood Munger Hall
7740 Butte House Road, Sutter, CA 95982

February Public Scoping Meetings

Tuesday, February 2, 2016

4:00 - 7:00 p.m.

Arbuckle Fire Hall
506 Lucas Street, Arbuckle, CA 95912

Thursday, February 4, 2016

6:00 - 9:00 p.m.

Central Gaither School, Cafeteria
8403 Bailey Road, Yuba City, CA 95993

You do not need to attend the public meetings to submit comments. Please send comments by Friday, March 4, 2016 to:

Email: comments@cosuline.com

Mail: Mr. Andrew Montano, NEPA Document Manager
Western Area Power Administration, Headquarters

Subject: Public Scoping Period Extension

CoSu Line Notice of Public Scoping Period Extension

The Western Area Power Administration (Western) and Sacramento Municipal Utility District (SMUD) have decided to extend the public scoping period for the Colusa-Sutter Transmission Line (CoSu Line), a proposed 500-kilovolt electric transmission line project in portions of Colusa and Sutter counties.

The scoping period now closes on Monday, April 18, 2016.

Studies of the proposed CoSu Line are just beginning. Federal and state laws require that Western and SMUD conduct an environmental

review that analyzes the potential effects of the CoSu Line on environmental resources. One of the first steps of the environmental review is the public scoping process, where Western and SMUD accept public comments on the scope of issues to be considered in the environmental analysis. Public comments will be accepted until Monday, April 18, 2016, and can be submitted via the following methods:

Email: comments@cosuline.com

Mail: Mr. Andrew Montano, NEPA Document Manager
Western Area Power Administration, Headquarters
P.O. Box 281213, Lakewood, Colorado 80228-8213
Postmark by Monday, April 18, 2016

February Public Scoping Meetings

Four public scoping meetings were held in January to share information about the proposed CoSu Line and accept public comments. Two more scoping meetings are scheduled in February so the public can speak with project representatives and provide input on the scope of the environmental analysis. The format and information displayed at these meetings is the same as the January meetings.

February 2, 2016

4:00–7:00 p.m.

Arbuckle Fire Hall

506 Lucas Street, Arbuckle, CA

February 4, 2016

6:00–9:00 p.m.

Central Gaither School, Cafeteria

8403 Bailey Road, Yuba City, CA

If you are unable to attend a meeting, visit www.cosuline.com to learn more about the project and submit a public comment on the scope of the environmental analysis by April 18, 2016.

CoSu Line Comment Period Closes April 18

Reminder: The public scoping period for the proposed Colusa-Sutter Transmission Line (CoSu Line) closes on Monday, April 18, 2016. If you would like to submit a comment on the scope of issues to be addressed in the Draft Environmental Impact Statement/Environmental Impact Report (EIS/EIR), please email or mail it by April 18, 2016, to:

Email: comments@cosuline.com

Mail: Mr. Andrew Montano, NEPA Document Manager
Western Area Power Administration, Headquarters
P.O. Box 281213, Lakewood, Colorado 80228-8213

Tips for Providing Effective Public Comments

Submitting your comments on issues, potential impacts, or the study corridors helps Western and SMUD to determine the scope of the Draft EIS/EIR. To provide effective comments, please:

- Review the CoSu Line website (www.cosuline.com) for information about the project.
- Provide written comments focused on the proposed project Western and SMUD are analyzing.
- Submit your comments by April 18, 2016, via email or mail.

Subject: CoSu Line Important Reminders and Updates

Reminder - The Public Scoping and Comment Period Closes Monday, April 18

All comments related to the Colusa-Sutter Transmission Line (CoSu) project must be submitted by Monday, April 18 via mail or email. We value your input and are committed to addressing your questions and/or concerns about the proposed project. We will address all comments in the Draft Environmental Impact Statement/Environmental Impact Report.

Please submit your comments by mail or email to:

Mail: Mr. Andrew Montano, NEPA Document Manager
Western Area Power Administration, Headquarters
P.O. Box 281213, Lakewood, Colorado 80228-8213

Email: comments@cosuline.com

Project Office - Now Open in Yuba City!

Do you have additional questions and input to share? If so, stop by our new project office to speak with team members, review study area maps, schedule site visits and more. We look forward to working with you and the community.

Location:

1133 Gray Avenue, Suite C
Yuba City, CA 95991

Hours:

Monday: 10 a.m. - 3 p.m.
Tuesday: Closed
Wednesday: 8 a.m. - 1 p.m.
Thursday: 8 a.m. - 1 p.m.
Friday: Closed

About the CoSu Line

The proposed Colusa-Sutter Transmission Line would help meet Northern California's energy needs and enhance the reliability of the electrical grid in the region. It would link the existing California-Oregon Transmission Project electric line in Colusa County to a new substation near the existing O'Banion Substation in Sutter County, with potential modifications to SMUD's existing Elverta Substation in Sacramento County. For more information please visit www.cosuline.com or email info@cosuline.com.

2017 Additional Scoping Period

From: Cosu Line Project <info=cosuline.com@mail1.suw15.mcsv.net> on behalf of Cosu Line Project <info@cosuline.com>
Sent: Friday, January 06, 2017 1:00 PM
To:
Subject: CoSu Line Notice of Additional Public Scoping Period

You are invited to additional public scoping meetings for the proposed Colusa-Sutter Transmission Line Project.

Effective January 6, 2017, Western Area Power Administration (WAPA) and Sacramento Municipal Utility District (SMUD) will hold an additional 60-day public scoping period to gather public input on potential environmental impacts, alternatives, and mitigation measures of the Colusa-Sutter Transmission Line, or CoSu Line. The CoSu Line is a proposed 500-kilovolt electric transmission line that would provide a new link between the California-Oregon Transmission Project (COTP) and SMUD's and WAPA's transmission facilities on the east side of the Sacramento Valley.

From December 2015 through April 2016, WAPA and SMUD conducted public scoping for a joint Environmental Impact Statement/ Environmental Impact Report (EIS/EIR) to consider alternatives to and environmental impacts of the CoSu Line in portions of Colusa and Sutter counties. Based on the comments received during that process, WAPA and SMUD are adding an additional study area approximately 20 miles south of the study areas originally scoped and refining the previously-scoped study areas. This additional public scoping period will include all study areas previously scoped, slight additions to the previously identified study areas, and a new study area that would connect to the COTP in Yolo County and would terminate near the Elverta Substation in northwestern Sacramento County.

The 60-day public scoping period begins Friday, January 6, 2017 and ends Tuesday, March 7, 2017. During the scoping period, WAPA and SMUD are seeking comments on the scope of issues to be analyzed in the Draft EIS/EIR. You can learn more about the CoSu Line and submit public comments by attending a public scoping meeting.

Public Scoping Meetings

There are 6 meetings to fit your schedule:

Tuesday, January 24, 2017

5:00 - 8:00 p.m.

Sutter Youth Organization Center

Ellwood Munger Hall

7740 Butte House Road

Sutter, CA 95982

Thursday, January 26, 2017

5:00 – 8:00 p.m.

Colusa Casino-Resort

Community Room

3770 California 45

Colusa, CA 95932

Tuesday, January 31, 2017

9:00 a.m. – 12:00 p.m.
Woodland Community and Senior Center
Banquet Rooms 2 & 3
2001 East Street
Woodland, CA 95776

Tuesday, January 31, 2017

5:00 p.m. – 8:00 p.m.
Woodland Community and Senior Center
Banquet Rooms 2 & 3
2001 East Street
Woodland, CA 95776

Thursday, February 2, 2017

9:00 a.m. – 12:00 p.m.
Haggin-Grant American Legion Post 521
6700 8th Street
Rio Linda CA, 95673

Thursday, February 2, 2017

5:00 p.m. – 8:00 p.m.
Haggin-Grant American Legion Post 521
6700 8th Street
Rio Linda CA, 95673

You do not need to attend a scoping meeting to submit comments on the scope of the Draft EIS/EIR. Previous comments are in the official record and do not need to be resubmitted. Please send comments by Tuesday, March 7, 2017 to:

Email: comments@cosuline.com

Mail: Mr. Andrew Montano, NEPA Document Manager
Western Area Power Administration, Headquarters
P.O. Box 281213, Lakewood, Colorado 80228-8213

Subject: Submit Comments on the Proposed CoSu Line Project

Reminder: CoSu Line Public Scoping Period Closes Tuesday, March 7!

The scoping period for the proposed Colusa-Sutter Transmission Line (CoSu Line) Project closes on Tuesday, March 7, 2017. Please submit your comments on the scope of issues to be considered in the environmental review being conducted by the Western Area Power Administration (WAPA) and Sacramento Municipal Utility District (SMUD).

Public comments can be submitted via the following:

Email: comments@cosuline.com

Mail: Mr. Andrew Montano
National Environmental Policy Act (NEPA) Document Manager

Western Area Power Administration, Headquarters
P.O. Box 281213, Lakewood, Colorado 80228-8213

When developing the project alternatives and preparing the project environmental documents, WAPA and SMUD will consider all comments received - those that are submitted between the scoping period from Friday, January 6 and Tuesday, March 7, 2017, as well as all the comments received during the first scoping period (December 2015 - April 2016). Previous comments are in the official record and do not need to be resubmitted.

***** Due to potential impacts from the regional flooding, WAPA and SMUD will be accepting comments on the proposed CoSu Line Project past the Tuesday, March 7 deadline up through Tuesday, March 21, 2017. Please submit your comments through the comments@cosuline.com email address or by sending them directly to the address listed above.*****
